Fishing Report 9th August 2021

Good to see the cooler weather has produced more favourable conditions this week and the rod average has increased to 3.46. As expected for August most fish have still been caught in deeper areas on Di 7 & 8, sinking lines. The most popular fly patterns have been minkies, snakes and boobies.

It's always good to see younger anglers out during the holiday season. See below Jacob's catch whilst out with his grandad, he looks very proud.

We played host to the Alex Booth Fly Fishers on Sunday for their Committee Cup match. 13 anglers caught 56 fish between them with Baz Street taking first place. All but one angler caught with many catching 5 plus fish, it was good to hear that they had had a successful, enjoyable day with lots of banter between them.

Rod Average

The rod average for this week was **3.46** with 128 fish caught by 37 anglers.

Best Rainbow/Brown

The heaviest Rainbow was 4lb 8oz caught by Paul Pearce.

Methods & Flies

Fish have been caught using mostly sinking lines, many anglers reporting Di7 - 8 lines to be most successful. Drifting across the main basin and pulling lures from depth of 40 feet plus. The most successful flies were green or olive snakes, minkies, orange fabs and white boobies.

Top Spot

The most popular spots have been out in the main basin, buoys 3, 4 and 11, and Brown Ale Bay.

Wheelyboat Fund Raising Project for Carsington Water Fishery

Tony Higton, who supports our fishery with many aspects including our popular open competitions, is working closely with the Wheelyboat Trust to raise funds for a 3rd wheelyboat. Over the past year we have seen an increased need for more access boats of this kind. We have many anglers who use this due to a disability, ill health, or temporary conditions whilst recovering from treatment or an operation.

Tony's aim is to raise just over £13,000 for a new coulam wheelyboat, including push start engine and seats. Tony has already been busy looking at grant applications from all around the local area with donations already being pledged via the Ashbourne Freemasons. The Wheelyboat trust are the principal fundraiser and they have kindly set up a CAF fund raising page to help increase the funding level and meet Tony's target.

If anyone would like to support this project then please click the following link, every donation helps.

It would be great to see Tony and the Wheelyboat trust being able to launch this brand new craft later this season.
