

Fishing Report 21st June 2021

We do have a slight drop in the rod average this week as a result of the variable and challenging weather conditions last week. The most popular spot seems to have been around Fishtail Creek, the most popular methods being sinking Di3 - Di5 lines on a fast retrieve. Black and green is still the best option with a variety of patterns from damsels, buzzers, blobs and snakes. Here's hoping for some more settled conditions to return later this week.

Thank you to those who have donated via the Wheely Boat Trust link to support the fundraising for a new accessible fishing boat.

Every little helps to meet the overall target.

You can see more information below on how to support the project.

Rod Average

The rod average for this week was **2.04** with 112 fish caught by 55 anglers.

Best Rainbow/Brown

The heaviest Rainbow was 4lb 4oz caught by Mr Clappison.

The heaviest Brown was 2lb 4oz caught by Mr Magnay.

Methods & Flies

Fish have been caught using intermediate or sinking lines with a fast retrieve. Some anglers have reported success using Di5 or Di3 lines.

The most successful flies were olive damsels, green and black fritz, pink snakes, olive buzzers, cats whiskers, orange blobs and olive dragon flies.

Top Spot

The most popular spots have been Fishtail Creek, Half Moon Bay, between buoys 5 and 10, Upperfields Bay, the Dam Wall and the back of Stones Island.

Wheelyboat Fund Raising Project for Carsington Water Fishery

Tony Higton, who supports our fishery with many aspects including our popular open competitions, is working closely with the Wheelyboat Trust to raise funds for a 3rd wheelyboat. Over the past year we have seen an increased need for more access boats of this kind. We have many anglers who use this due to a disability, ill health, or temporary conditions whilst recovering from treatment or an operation.

Tony's aim is to raise just over £13,000 for a new coulam wheelyboat, including push start engine and seats. Tony has already been busy looking at grant applications from all around the local area with donations already being pledged via the Ashbourne Freemasons. The Wheelyboat trust are the principal fundraiser and they have kindly set up a CAF fund raising page to help increase the funding level and meet Tony's target.

If anyone would like to support this project then please click the following link, every donation helps.

It would be great to see Tony and the Wheelyboat trust being able to launch this brand new craft later this season.
