Fishing Report 22nd Aug 2022

The beginning of the week was very hot and with very few anglers braving the warm still conditions. The later part of the week brought much more favourable conditions seeing some of our regular anglers catching into double figures

All fish have been caught in deep, cooler water, mostly using snakes of a variety of colours. Its been great to see some of the bigger fish being caught especially Mr Duffield's brown of 5lbs 5oz, pictured below.

Please note - We are fully booked for Tuesday & Wednesday this week.

Also due to the low water levels we are limited to the number of boats we can offer each day so please book in advance.

As always we thank you for your continued support, and we look forward to sharing your successes with all of our anglers.

Pictures

It's good to be able to feature those great catches on our weekly reports. We have already received some great shots, thanks to those who have emailed in. Please don't hesitate to email photos of your catch to flyfishing@carsingtonwater.com. Remember to note your name, weight of fish, fly used and area caught. We always have a camera in the fishery lodge so let us know if your catch is worth a snap!
