

Fishing Report 30th August 2021

The cooler cloudy weather has certainly helped to bring the fish higher in the water.

The rod average has increase from 2.71 last week to 4.66 this week.

Its been good to see some reports of anglers catching on smaller fly patterns and the return of hoppers and daddies.

The main basin and east side of the water has been popular however this has been mainly depicted by the North easterly breeze over the past week.

We had a busy day on Wednesday with those practising for the Peter Hind Memorial Trophy. The match took place on Thursday seeing 21 anglers compete, with Chris Howkins taking first place catching 10 fish in total. Its was a successful day with all anglers catching fish.

The rod average for this week was **4.66** with 275 fish caught by 59 anglers.

Best Rainbow

The heaviest Rainbows were 4lbs caught by Mr Cartledge and Mr Russell

Methods & Flies

Fish have been caught using mostly sinking and intermediate lines however some anglers had success closer to surface during the later part of the week. The most productive areas have been main basin, fishtail creek, dam wall and half moon field.

The most successful flies were pink, green or black snakes, orange blobs, montana, booby, cats whisker , hoppers and daddies.

Wheelyboat Fund Raising Project for Carsington Water Fishery

Tony Higton, who supports our fishery with many aspects including our popular open competitions, is working closely with the Wheelyboat Trust to raise funds for a 3rd wheelyboat. Over the past year we have seen an increased need for more access boats of this kind. We have many anglers who use this due to a disability, ill health, or temporary conditions whilst recovering from treatment or an operation.

Tony's aim is to raise just over £13,000 for a new coulam wheelyboat, including push start engine and seats. Tony has already been busy looking at grant applications from all around the local area with donations already being pledged via the Ashbourne Freemasons. The Wheelyboat trust are the principal fundraiser and they have kindly set up a CAF fund raising page to help increase the funding level and meet Tony's target.

If anyone would like to support this project then please click the following link, every donation helps.

It would be great to see Tony and the Wheelyboat trust being able to launch this brand new craft later this season.
