Fishing Report 5th July 2021

Great to see the rod average holding again this week at 4, many of our anglers caught between 6 - 10 fish which is a great result for this point in the season. Those high water levels are keeping the temperatures lower than average for this time of year.

Lots of fish were seen rising to the surface however many were caught deeper down on intermediate and sinking lines. Fry patterns seemed to be proving successful over the last few days.

A lovely 5lb 8oz brown caught by Mr Severn as pictured below and a number of rainbows were caught at 7-8 lbs. This week's weather looks changeable but warm, could be good for some long drifts across the main basin with those southerly winds.

Rod Average

The rod average for this week was **4** with 172 fish caught by 43 anglers.

Best Rainbow/Brown

The heaviest Rainbow was approx 8lb caught by Mr Marples.
The heaviest Brown was 5lb 8oz caught by Mr Severn.

Methods & Flies

Fish have been caught using floating lines or intermediate lines, often with a slow sinking tip.
The most successful flies were gold and silver tubes, boobies, bibios, sedgehogs, pink snakes, damselfly nymphs and black and green lures.

Top Spot

The most popular spots have been North End, Buoy 4, the main basin and buoy 8.

Wheelyboat Fund Raising Project for Carsington Water Fishery

Tony Higton, who supports our fishery with many aspects including our popular open competitions, is working closely with the Wheelyboat Trust to raise funds for a 3rd wheelyboat. Over the past year we have seen an increased need for more access boats of this kind. We have many anglers who use this due to a disability, ill health, or temporary conditions whilst recovering from treatment or an operation.

Tony's aim is to raise just over £13,000 for a new coulam wheelyboat, including push start engine and seats. Tony has already been busy looking at grant applications from all around the local area with donations already being pledged via the Ashbourne Freemasons. The Wheelyboat trust are the principal fundraiser and they have kindly set up a CAF fund raising page to help increase the funding level and meet Tony's target.

If anyone would like to support this project then please click the following link, every donation helps.

It would be great to see Tony and the Wheelyboat trust being able to launch this brand new craft later this season.
