Warming up for the next season!

Feeling those mid winter blues? Well the good news is there's only a couple more months until the start of the 2015 fishing season!

The boats are hibernating, the engines are having a service and the fish are having a rest too...ready to come back fighting for the new season!

We look forward to seeing you all soon.

Opening Weekend

The 2015 season starts on Sat 14th March. We already have several boats booked for the weekend and we've even tried to book the weather! So to avoid disappointment remember to book your boat either [online](#) or over the phone.

Carsington Spring Open Competition 2015

The 2015 Spring Open will be held on Sat 11th April 2015.

Our Autumn competition was a sellout and again we already have some bookings for the day. The competition is great value for money at just £60 for 2 people. You can fish in known pairs and with prizes to be won throughout the fleet your always in with a chance of taking something home.

Bookings are being taken online now, for more information [click here](#).

Save some Money!

Buy 10 full day permits in advance and save up to £50 compared to buying them individually. These permits can be bought online, over the phone or at the centre and are a great idea if you plan on visiting us throughout the season.

Even better we are holding our 2014 price of £200 for a short period, so get in fast!

Don't forget the passes are only valid in the same season they are purchased.
