Fishing Report 14th March 2016

A great start to the 2016 season with near perfect conditions allowing 43 anglers to get their rod tips wet for the first time this year!

A selection of rainbows and browns were caught, many of them overwintered. The water levels are still on the rise and the reservoir is now at about 89% full which has allowed fishing in all of the bays to once again become accessible.

Rod Average

The rod average for this weekend was **7.98** with 343 fish caught by 43 anglers.

Best Rainbow/Brown

The heaviest Rainbow was 5lb caught by Mr Darraugh. There were no brown weights recorded.

Top Spot

Popular areas this week have been up at the North end, Tower Bank and Fishtail Creek

Methods & Flies

The most successful patterns were Pink Snake, Cat's Whisker, Blobs and Buzzers Intermediate and fast sinking lines have proved successful
