Fishing Report 15th June 2015

Mondays catch of the day.

Ralph from The Butler's Pantry in Derby fished with Sally Pepper from radio Derby.

They caught two lovely rainbows and a brown within the hour. This made for a great interview on Sally's show on Wednesday when Ralph went into the radio derby studio to cook the fish.

The cool northerly winds have hindered this week's fishing a little. Our rod average has dropped a little to 5.63 more like what we would expect for this time of year. Currently the water temperatures are standing low which is keeping the weed at bay, still resulting in excellent fishing conditions.

Prime evening fishing time for the next 3 weeks, boats back in by 10pm, don't miss out on that excellent evening rise.

Rod Average

The rod average for this week was **5.63** with 630 fish caught by 112 anglers.

Best Rainbow/Brown

The heaviest Rainbow was 4lbs caught by Mr M Smith.

The heaviest brown was 3lbs caught by Mr Topping.

Top Spot

Popular areas this week have been Tower Bank, Halfmoon field, Fishtail creek, Upperfields bay, Watersports Island, Dam wall and Millfields. These areas were mostly depicted by the wind directions of the past week.

Methods & Flies

The most successful patterns were small Black Buzzers, Cat whisker, Cruncher, Damsel Nymph, Diawl Bach, Gold Head Montana, Bibio, claret hoppers, Black Spider.

We have also seen a small may fly hatch so hopefully that will increase this week.

Most anglers have used intermediate and floating lines.

Casting Lessons for beginners

An Introduction to fishing with a fly.

An opportunity to learn the basics of fly fishing, the course covers basic casting, knots and entomology. Our qualified instructor will provide all equipment for the course - you are welcome to bring your own. The sessions start at 10am and will last for approx 2 hours.
