

Fishing Report 16th October 2017

On Wednesday we welcomed a number of Police fishing teams from all over the country. They came together for their annual match, The Imperial Trophy. Their returns showed some good results with a number of anglers catching into double figures. We look forward to seeing you all again next season.

We only have 2 weeks left of the season so don't miss out on some great fishing. Our last day is Sunday 29th October, this is a little earlier than normal due to reduced water levels.

Rod Average

The rod average for this week was **3.74** with 344 fish caught by 92 anglers.

Best Rainbow/Brown

The heaviest Rainbow were 4lbs caught by Clive Wilkins and A. Heewood

The heaviest Brown was 4lbs caught by Clive Wilkins

The heaviest Blue was 6lbs caught by Glenn Wicks

Top Spot

The most popular spots have been around the Main Basin, Fish Tail Creek, North Islands, Tower Bank and Buoys 3, 5 & 8.

Methods & Flies

The most successful flies were pink snakes, daddies, montana, boobies, minkies, hoppers and blobs.

Most anglers have fished on a drift using intermediate or slow sinking lines, some have found the stripping method has worked well.

25 Year Anniversary Tagged Fish Competition - Still time to win a prize before the end of the season!

To mark Carsington Water's 25th Anniversary we have launched a tagged fish competition. We have released 25 tagged fish into the reservoir with a number of prizes to be won for those caught throughout the 2017 season.

To date 15 of the 25 fish have been caught so lots more prizes up for grabs.
