Fishing Report 18th April 2016

A great week of fishing has led to the rod average almost doubling! Predominantly light winds throughout the week led to some great fishing conditions although some slightly warmer temperatures wouldn't go amiss!

Anglers have been finding fishing all over the reservoir which has been great to see and using a whole range of different techniques. Lot's of big buzzer hatches have been reported which is great to hear.

Well done to Huxley and Osler Edwards who caught a 3lb and 1lb 12oz Rainbow respectively. Definately 2 young fisherman to watch out for!

The rod average for this week was **9.94** with 765 fish caught by 77 anglers.

Best Rainbow/Brown

The heaviest Rainbow was 4lb caught by Mr McCyreat

The heaviest Brown was 2lb 8oz caught by Mr Eville

Top Spot

Fish have been reported all over the reservoir this week with Brown Ale Bay proving to be the most popular spot!

Methods & Flies
