

# Carsington Fishing Report

23<sup>rd</sup> June 2014

We have a new fishery record!

Mr Rushton caught a fantastic 15lbs 4oz brown this week. He caught it on a beaded orange tag near the sailing club island. It's great to know that there are some big fish in there, let's hope we see a few more over the next few seasons.

Please note - the fishery will be closing early on Sat 12th June 2014
