# Carsington Trout fishery

## Fishing Report 23rd March 2015

The excellent fishing has continued throughout our first full week of the 2015 season producing a rod average of 10.72. This is more than double the rod average at this time last season so fingers crossed it continues!

We have had a mix of conditions throughout the week leading to lots of different methods being used. It has been interesting to see that some anglers have seen success on buzzers and dry flies this early in the season.

### Rod Average

The rod average for this week was **10.72** with 579 fish caught by 54 anglers.

### Best Rainbow/Brown

The heaviest rainbow caught this week was 7lbs 6oz by Mr C Critchley.  
No Browns were recorded this week.

### Top Spots

The most successful areas have been all along the east side of the reservoir and towards the north end. Fishtail Creek, Tower Bank and Brown Ale Bay have also been popular.

### Methods & Flies

The most successful patterns were montana, booby, minkie, black and green lures, cats whisker and buzzers. Most anglers have used sinking lines on a fast retrieve.

### Carsington Spring Open Competition 2015

The 2015 Spring Open will be held on Sat 11th April 2015 we have a few boats left for this competition so don't miss out. For more information and booking [click here](#).

### New for 2015 - Fly Fishing Seminar

If you would like to learn more about reservoir fishing then Don Stazicker and Steve Yeomans are hosting a fly fishing seminar at Carsington on Sat 18th April 2015. They have a few places left so don't miss out. Bookings are being taken directly by Steve on enquiries@midlands-flyfishing.co.uk

### A big thank you from Carsington fishery for the recent donation from the Freemasons of St Oswalds Lodge, Ashbourne

On Saturday 14th March our opening day, Calvin Boam the Master of the St Oswald Lodge of Freemasons No 850 in Ashbourne, presented the fishery with a new 'equipment barrow' to enable our anglers to take their valued equipment safely down to the boats. This is the second 'equipment barrow' we have on site and will enhance the assistance we give to the many abled and disabled anglers who visit on a regular basis to use our two Wheely Boats, one of which was provided with financial assistance from the Freemasons.
