Fishing Report 23rd May 2016

A quieter week for visits with varying degrees of success for our fishermen. The fish are now well distributed over the reservoir and Buzzers have been proving successful for some anglers!

A detrimental forecast saw just one fisherman venture out on Saturday. The rain held off and although quite windy he still managed 24 to the boat! It just goes to show they don't always get the forecast right so it's always worth giving us a call to find out!

A good weather forecast for the next few days!

The heaviest Blue was 2lb 4oz caught by Mr Brennan
