

Carsington Fishing Report

21st April 2014

Another great week of fishing with a rod average of 8.99.

Many rainbows have been caught over 4lbs and we have also seen a high number of browns. Fish are being caught all over the reservoir so what ever the wind direction there is always a good spot to fish!

A selection of fish caught this week

Rod Average

The rod average for this week was **8.99** with 971 fish caught by 108 anglers.

Best Rainbow/Brown

The heaviest rainbow this week was 6lbs caught on a orange pattern by Luke Vivian.

The heaviest brown this week was 2lbs 12oz caught on a diawl bach by John Bigland.

Top Spots

The most successful areas have been at the Shiningford Creek, Upperfields bay, Millfields and behind the islands.

Methods & Flies

The most successful patterns are gold head montana, cats whisker, diawl bach, orange bullet, hothead damsels, black buzzer and GRHE.

Most fish have been caught on floating and intermediate lines, close to the margins. Others have been found in some deeper areas off the sailing club island.

Booking Online

It is now possible to book your days fishing online 24/7. It's a great way of making a booking out of hours and checking the availability of boats.
