Fishing Report 25th May 2015

Finatic Outcasts Fishing Club Visit last week

The warmer conditions of last week seem to have helped bring the fish a little closer to the surface and increase the use of buzzers and dry flies. We have seen some excellent returns with many anglers catching 20 fish and more!

Rod Average

The rod average for this week was **8.42** with 850 fish caught by 101 anglers.

Best Rainbow/Brown

The heaviest rainbow caught this week was 5lbs by Mr R Trevis.

The heaviest brown caught this week was 4lbs 12oz by Mr Margett.

Top Spots

Popular areas this week have been Dam wall, Millfields, Upperfields Bay, Watersports Island, Sailing Club Island, Tower Bank and Brown Ale Bay.

Methods & Flies

The most successful patterns were Black Buzzers, green buzzer, shipmans buzzer, damsel nymph, Diawl Bach, Gold Head Montana, Hot Head Damsels, Ace of Spades, Cats Whisker, and Buzzers.

Most anglers have used intermediate and floating lines.

Please help us keep the boats clean

To help us keep the boats clean for the next angler please ensure all your rubbish is taken out of the boat and please clean your anchors before returning them to the boat.
