Most anglers have fished on a drift using intermediate or slow sinking lines with dry flies.

25 Year Anniversary Tagged Fish Competition

To mark Carsington Water's 25th Anniversary we have launched a tagged fish competition. We have released 25 tagged fish into the reservoir with a number of prizes to be won for those caught throughout the 2017 season. To date 15 of the 25 fish have been caught so lots more prizes up for grabs.

Stocking Plan

Many anglers are asking the questions regarding our stocking plan in relation to the diminishing water levels. No changes have been made to our 2017 stocking plan and we are due to take deliveries as usual over the coming weeks.

Safety Information

Please can we remind our anglers:

- Always wear your killcord whilst the engine is running
- Do not stand up whilst the boat is moving either as driver or passenger
- Wear your lifejacket on top of all other clothing
- Carry a mobile phone
