

Carsington Fishery Report 30th September 2013

Another great week of fishing with a rod average of 5.02.

All boats have been out over the weekend with catch returns showing double figures on Saturday. The Foremark Fly fishers had their Will Harrison memorial trophy competition on Sunday which resulted in Martin Smith having the best fish and best bag.

Rod Average

The rod average for this week was **5.02** with 487 fish caught by 97 anglers.

Best Rainbow/Brown

The heaviest rainbow this week was 3lbs 12oz caught on a blob in Fishtail creek by Mr P Pearce.

The heaviest brown was 2lbs 8oz and was also caught by Mr P Pearce again in Fishtail Creek.

Top Spots

The most successful areas have been at the North End, Halfmoon Field, Stitch Plantation, Fishtail Creek, and Upperfields bay.

Method & Flies

The most successful patterns are Ace of spades, montana, cats whisker, booby, goldhead orange and red blobs, daddies, pheasant tail nymph, and hoppers.

More fish have been caught on floating lines and some using intermediates. Many anglers have been fishing on a drift from the east side of the reservoir into the deeper water especially around Fishtail creek.
