

Carsington Fishery Report

6th May 2013

It's been another great week of fishing with a rod average of 8.74 which is a little higher than last week. The fishing has been very similar to the previous few weeks with many fish being caught on buzzers and nymphs. The weather conditions have been really kind to us this week and all of our boats have been out on the water over the bank holiday weekend.

A great catch by Adam & Grant Lockett - Largest Fish 3lbs 12oz

Rod Average

The rod average for last week was **8.74** with 787 fish caught by 90 anglers.

Best Rainbow/Brown

The heaviest rainbow this week was 4lbs 3oz caught by Phil Harding on a buzzer. The largest brown at 1lbs 8oz was caught by Paul Pearce.

Top Spots

The top spots this week have been Shinningford creek, Osprey towers and brown ale bay, halfmoon field, fishtail creek and Upperfileds bay.

Method & Flies

The most popular fly patterns used this week have been nymphs, buzzers, hares ears, black fritz, orange booby, hot head damsel and gold head montana. Mostly intermediate and floating lines have been used this week. Fish have been caught much closer to the surface with several afternoons seeing fish rising.
